

## **DETAILS OF SPECIAL EDUCATOR**

Name : Mrs. Suchismitha

DOB: [23/06/1985](#)

Qualification : BA B.Ed

**Special Educator** is a trained teacher who works with students having learning difficulties, disabilities, or special educational needs. A Special Educator helps children learn according to their abilities through individualized teaching methods and supportive guidance.

### **A. Roles and Responsibilities of a Special Educator**

- Identify students with learning difficulties or disabilities.
- Prepare Individualized Education Plans (IEP).
- Provide remedial and supportive teaching.
- Help students improve communication, social, and academic skills.
- Coordinate with parents, teachers, and school management.
- Assist inclusive education in schools.
- Maintain progress records of special children.

### **B. Areas of Special Education**

- Intellectual Disability
- Autism Spectrum Disorder
- Hearing Impairment
- Visual Impairment
- Learning Disability
- Multiple Disabilities

### **C. Importance in Schools**

A Special Educator supports inclusive education and ensures that every child receives equal learning opportunities in school.
